

## Biology Final Exam FREE Pass

*Different students from each class period have the opportunity to receive an automatic A on the final exam. You must follow the rules and guidelines of iNaturalist and our project. This contest will also help with your group project grade as a whole ☺*

### **iNaturalist**

This winner is the student with the greatest number of “Research Grade Observations ID’d to Species or Lower”. Use the grading rubric “excellent” column (within “iNaturalist”) for guidance. Deadline: \_\_\_\_\_. Exact time TBD. NOTE: **Group member(s) of this winner** could also be a winner **IF** (and only if) they **regularly** assist with genuine identification and support of research grade observations of **each** of their group members as documented through iNaturalist.org.

### **Field Lab Notebook**

This individual winner is the student with the best field lab notebook. Use the grading rubric “excellent” column (within “Field Lab Notebook”) for guidance. Deadline: Group Project due date.

### **Plant Press**

This individual winner is the student with the best plant press. Use the grading rubric “excellent” column (within “Plant Press”) for guidance. Deadline: Group Project due date.
