iNaturalist Ecology Project Turn-In Form

1. Login to your iNaturalist.org account.
2. Click on our project page.
3. Click "View leaderboard" (these are the students who are the top contributors).
4. Find your username and click on it.
5. You will see "Contributions from (your iNaturalist username) to (our project)". If some or all of your observations are not here, you did not add some or all of your observations to the project so you should do that now ("batch edit" works wonders!)
6. List your "Stats":

_____ Taxa observed
_____ Total observations
_____ Research-grade observations
_____ Research-grade observations ID'd to species or lower

7. Did you use the iNaturalist iphone/Android application? YES___ NO ____
If so, what should be improved on the **application** (not your phone) to make it better for an iNaturalist class project? Please be specific.
   a) _____
   b) _____
8. What should be improved on the www.inaturalist.org website to make it better for an iNaturalist class project? Please be specific.
   a) _____
   b) _____
9. Overall, did you like the iNaturalist project? _____
10. The iNaturalist competition deadline is _____ (the day before finals). Are you going to make an attempt in the iNaturalist competition to receive an automatic A on the Final Exam? YES____ NO ____
11. What are two specific ways that our "Research grade" observations (data) could be used?

a)

b)
